Classes will be jam packed with tons of product—all supplies included—all paper pre-cut for easy assembly. We will work with Copic Markers, inks, stickles, liquid pearls, acrylic, rhinestones, chipboard, ribbons, gorgeous papers (samples may vary from our photos depending on availability of newer products).

Three 2 Page Layout Projects

Page Layout #1

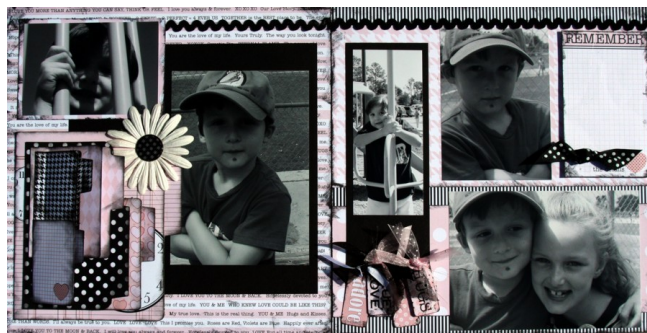

For page layout #1 we will use Pink Paislee papers to make a layout that is perfect for the beach, swimming—very tropical. This is embellished with lots of flowers, die cut pieces, chipboard letters, rhinestones, ribbons and buttons.

Page Layout #2

For page layout #2 we will use Teresa Collins Designs papers to create a beautiful work of art! The file folder on the left is layered for additional photos and journaling. Tons of ribbons, Prima flowers, brads and more adorn this gorgeous layout!

Page Layout #3

For page layout #3, we will use summery Prima papers to create a layout that works for summer picnics (ours was from Fort Niagara and Niagara Falls), with Prima flowers, ribbons, die cut word “celebrate” and pop dots.

Scraptique, Inc.

In completing the three 2 page layouts, you will see our exclusive designs & get a Taste of Scraptique; our upscale monthly page kit club. Scraptique is an innovative club featuring boutique style layouts and paper craft projects for the intermediate to advanced scrapbook artist. It is our goal to teach you more, introduce you to a variety of products from a large variety of manufacturer's while spending the day having a lot of fun!!

Crop Until You Drop Bonus!!

Crop, Classes & More Cropping!

Our event is a little different this year, as we will be offering cropping all night Friday, classes on Saturday and cropping again on Saturday night. I extended it so if anyone doesn't finish their projects and wants to work on them Saturday night, the space is there and I'll be there to assist if needed!

How Do I Sign Up!!!

You can sign up by calling us at (239) 849-9252 or fill out our form and fax it to us at (239) 278-0031 to secure your spot at the Buffalo September Scrapbooking Event. Call the Holiday Inn Buffalo Airport directly to reserve your room!

Refund Policy

Because of the distance in our travel plans and commitment to the hotel for the space in advance, there will be no refunds, however, we will guarantee that all materials and color copies of projects will be provided to attendee if they have paid and are not able to attend for any reason.

Crop Time & Bonus Projects!!

I know you're used to us spoiling you with lots of projects, but we're going further this year!! Friday night I will demo the new Teresa Collins Designs Stamp Maker so you can make your own stamp to take home! This is brand new on the market and one of the hottest items from CHA Summer. Saturday night we will do a bonus project for you to work on learning another new technique!
