# Three 2 Page Layout Projects

## Page Layout #1

For page layout #1, we will use Heidi Swapp's Winterfresh line. This colorful line is perfect for holiday photos and memories. We will create a layout and accent with her foam chipboard shapes.

## Page Layout #2

For page layout #2 we will use Scryptique's own Winter Wonderland line of papers. This layout has layers of snowflakes, ribbons and pop dotted accents perfect for your snowy pages.

Scryptique, Inc.

## Page Layout #3

For page layout #3, we will create a mess in working with accenting snowflakes with tons of glitter, creating a gorgeous layout with lots of printed papers from Kaisercraft and accenting them with chipboard, buttons, ribbons and more!

In completing the three 2 page layouts, you will see our exclusive designs & get a Taste of Scryptique; our upscale monthly page kit club. Scryptique is an innovative club featuring boutique style layouts and paper craft projects for the intermediate to advanced scrapbook artist. We will work with transparencies, chipboard, inks, sanding, paints, layering with flowers and many more techniques. It is our goal to teach you more, introduce you to a variety of products from a large variety of manufacturer's while spending the day having a lot of fun!! If you are currently a club member, these are new designs that are completely different from anything you'll receive with our kits.

FULL DAY OF CLASSES SATURDAY 8:30AM-5:30PM

# Winter Album, Holiday Album & Altered Project

## Donna Salazar Weathered Winter Album

Donna Salazar's Weathered Winter Collection will let you create the perfect album using Zutter's 13" x 13" corrugated board (cut in half) and bound with the Bind-It-All machine. Perfect for your winter photos.

## BasicGrey Jovial Mini Book

We all love BasicGrey and their new holiday line Jovial is awesome. We will create a mini album using this line of products from BasicGrey and accent with lots of ribbons and stickles to create our own work of art!

## Teresa Collins Designs Noel Project

I love Teresa's new Noel line of products and the Holidays! We will be using her papers and embellishments to create another holiday project to display in your home. Currently being designed, it's one you'll love—I'm thinking an altered wooden project!!!!

We will have many products for you to shop from at our event. Anyone who attends will get a 30% discount off the regular MSRP pricing (excluding our kits). We hope this is an added bonus to you for attending our holiday event!!!

**SIGN UP EARLY—SPACE IS LIMITED AT THIS VENUE**

# Cards & More

## Cards & Gift Tags

As always, we will create an assortment of cards & tags. For this session, we are going to do a few of the techniques in Tim Holtz's 12 Days of Christmas Tags—they're to die for! Cards will be with a variety of paper including Little Yellow Bicycle and Making Memories Christmas collections.
